

Wall Street in One Week

Want to pick winning stocks and manage high-dollar portfolios? Come to TCU for this unique one-week summer program for high achieving high school seniors.

You'll spend six days on campus at TCU, living in the residence halls and learning in classrooms from finance professors at the TCU Neeley School of Business. Learn to analyze industry and company information, value a company's stock and manage a \$100,000 virtual portfolio.

- + Accounting
- + Economic Business Cycles
- + Financial Statements
- + Time Value of Money
- + Risk, Return and Diversification
- + Stock Valuation
- + Presentation Skills

It's not all work. Evenings you'll enjoy organized activities, dinners and fun on and around the TCU campus.

What Do You Get? \$\$\$ (at least virtually)

At the end of the week, you'll walk away with a \$100,000 virtual portfolio to manage over the next eight months. Then you'll report back at a banquet in the spring, telling your classmates and professors which stocks you bought, which you kept, which you traded, and whether your choices led to success... or not.

See what others are saying...

“ I learned more in one week than in some of my high school classes have taught me in a month. **It was evident that the professors genuinely cared about the content and were passionate about it. The camp clarified plans for my future as I (hope to) pursue finance at TCU.**”

Rocky O.
University High School, Bloomington, Illinois

“ The program is a great way to learn about investing and experience life at TCU. The welcoming staff and accommodations were extremely impressive. **Getting to interact with the counselors who are current students was an eye-opening experience. It convinced me to apply to TCU.**”

David P.
Memorial High School, Houston, Texas

“ It solidified my passion for finance and gave me a look at what it means to be a TCU Neeley student. **I learned from passionate professors and made connections that will last a lifetime.**”

Bella S.
Reedy High School, Frisco, Texas

“ The program exposed me to skills and perspectives that will benefit me in the future. From learning how to read a financial statement to giving a presentation, the program gave me a basic understanding of investing and portfolio management. **The knowledge I received from the Neeley faculty provided a once-in-a-lifetime experience.**”
