## 3-Year Business Honors Cohort

Through rigorous academic, co-curricular, and professional development opportunities, Neeley Fellows aims to develop students of exceptional potential and work ethic to be high-performing business leaders.

## Experience

### Sophomore Year

- Classes with the cohort: Marketing Management, Fundamentals of Accounting, Financial Management, Entrepreneurship & Innovation, Business Information Systems
- Weekly professional development labs covering topics such as resumes, LinkedIn, interviewing, life design, and career exploration
- Travel includes a Fall Break trip to New York City exploring various career paths, networking with Neeley Fellows alumni, experiencing company site visits
- Connection with an Alumni Coach support major and career exploration
- Sophomore Buddy Program to make connections with Neeley Fellows outside their cohort and Mentorship Groups to build relationships with cohort peers in small group settings led by senior Neeley Fellow Peer Advisors

### Junior Year

- Classes with the cohort: Business Analytics, Organizational Behavior & Strategy, Global Business Perspectives with Ethical Lens (including one-week international travel)
- Weekly professional development labs continue to build your exposure and skill set covering topics such as goal setting, mentorship, design thinking, tech skills, and storytelling
- Alumni coaches continue to provide professional insight and guidance while building your network
- Opportunities through our student board, NFSO, to build leadership skills, enhance your experience, and further impact our community

### Senior Year

- Classes with the cohort: Neeley Fellows Capstone Course
- Weekly professional development labs focusing on skills to aid in the transition from TCU to post-graduation and preparation to enter an alumni network of 17 graduated cohorts with an established brand of excellence and business success
- Coach and give back to the Neeley Fellows community through serving as Peer Advisors, sharing insight, and supporting younger cohorts

## References

### Landry Johnston '23

*Consultant, Protiviti*

"Because of everything Neeley Fellows has poured into me and taught me, I feel more prepared than ever for each of these new experiences. This summer, I truly realized just how impactful Neeley Fellows has been to my personal and professional development."

### Claire O'Connor '22

*Redwoods Analyst, DaVita*

"My Neeley Fellows experience has been one full of growth, opportunity and fun. I have discovered more about myself and the ways that I can use my skills to give back to those around me. This would not have been possible without all of the opportunities through NF including leadership, internships and alumni."

# NEELEY FELLOWS

Inspired by Challenge. Driven to Excellence. Supported by Community.

## Job Description

We're looking for motivated, high achieving, dynamic, first year students with a thirst for learning and desire to take their college experience beyond the ordinary. They are undergraduate business students who seek enhanced academics, professional development and a collaborative community of excellence.

- Demonstrated academic achievement, leadership potential and community involvement.
- 3.5 GPA minimum at the end of each semester of your first year at TCU.
- Solid written and interpersonal communication skills.
- Strong commitment to both curricular and co-curricular components of the program until graduation.
- Plan to graduate in May 2029 (preferred) or December 2028 as Neeley Fellows is a three-year, cohort based program.
