3-Year Business Honors Cohort

Through rigorous academic, co-curricular, and professional development opportunities, Neeley Fellows aims to develop students of exceptional potential and work ethic to be high performing business leaders.

Experience

Sophomore Year
- Classes with the cohort: Marketing Management, Fundamentals of Accounting, Financial Management, Entrepreneurial and Business Regulatory Environment, Business Information Systems
- Travel includes a Spring Break trip to New York City exploring various career paths, networking with Neeley Fellows alumni, experiencing company site visits, and an optional cross-cohort Fall Break trip to west coast for city and business exploration
- Weekly professional development labs working on resumes, LinkedIn, interviewing, life design, and career exploration
- Sophomore Mentorship Groups to build relationships with cohort peers in small group settings led by senior Neeley Fellow Peer Advisors

Junior Year
- Classes with the cohort: Business Analytics, Organizational Management, Global Business Perspectives (with international travel)
- Alumni coaching teams provide professional coaching, insight and guidance while building your network
- Opportunities through our student board, NFSO, to build leadership skills, enhance your experience, and further impact our community
- Weekly professional development labs continue to build your exposure and skill set covering topics such as goal setting, mentorship, design thinking, tech skills and storytelling

Senior Year
- Classes with the cohort: Strategic Management and Environmental, Social & Governance (optional 1 hour, seminar class)
- Weekly professional development labs focusing on skills to aid in the transition from TCU to post-graduation and preparation to enter an alumni network of 15 graduated cohorts with an established brand of excellence and business success
- Coach and give back to the Neeley Fellows community through serving as Peer Advisors, sharing insight, and supporting younger cohorts

Accolades

- Average GPA: 3.93
- Average ACT/SAT: 32/1417
- 19 Chancellor’s Scholars (across 3 cohorts)
- 100% Latin Honors Graduation
- $75k Average Starting Salary

Paige Shiring ’21
Investment Banking Analyst, Credit Suisse

“Neeley Fellows has fundamentally changed my college experience. The program has shaped my ability to problem solve and think through complex situations in a way that has been so valuable.”

Sydney Schumacher ’19
Marketing Analyst, Southwest Airlines

“Neeley Fellows is undoubtedly why I have been able to land my dream job. Surrounded by students who are driven, intelligent, hard-working, and charismatic, I have learned how to deliver outstanding results in the workplace.”
The Job Description

We’re looking for motivated, high achieving, dynamic students with a thirst for learning and desire to take their college experience beyond the ordinary. They are undergraduate business students who seek enhanced academics, professional development and a collaborative community of excellence.

- Demonstrated academic achievement, leadership potential and community involvement.
- 3.5 GPA minimum at the end of each semester of your first year at TCU.
- Solid written and interpersonal communication skills.
- Strong commitment to both curricular and co-curricular components of the program until graduation.
- Enrollment in or concurrent application for enrollment in the John V. Roach Honors College.
