

Statement of Values

The Neeley Fellows Statement of Values guides the actions of the program members. Students will demonstrate these values in their decision-making, personal behavior, and interactions.

As Neeley Fellows, we commit ourselves to the pursuit of excellence and achievement in all endeavors with the highest degree of professionalism and integrity.

We believe our responsibility within *Neeley Fellows* is to:

- Develop dedication to our academic pursuits and intellectual curiosity
- Maintain engagement in all aspects of the program
- Develop a culture committed to both professional and personal growth
- Promote teamwork in an active learning environment
- Foster personal relationships and mutual support, both today as students and in the future as professionals

We believe our responsibility within *Texas Christian University* is to prioritize academics while maintaining campus involvement and leadership.

We believe that our responsibility to the *Professional Communities* in which we work is to become ethical leaders with a global perspective and a commitment to enact positive change.

We believe our responsibility within the *Greater Community* in which we live is to devote our time and talents to serving the community.
